“ Charlie and I became friends at work. He always knew how to make me laugh when I was having a bad day. He always texted me when I wasn't at work to make sure I was ok. I loved the way he would laugh when I told him about my weekends with my sister. He became a true friend inside and outside of work. He was truly a good buddy and I will miss him dearly. Forever in our Hearts.

“ Charlie was a good guy, I worked side by side with him for about a year. He would give you a helping hand anytime you needed it. He would always tell me stories about is past. plus he would always talk to me about movies, I know he really enjoyed watching them and camping. Either way Charlie you were a really great friend and you'll definitely be missed. Rest in my peace my friend.

“ All of us miss Charlie very much. He was always a good freind to me and we always enjoyed talking about food and dishes that he would cook. He had a subtle sense of humor and could always make me laugh, even if one of us was having a rough day. I am very proud and happy to have had Charlie as my friend, and I hope he can truly rest in peace.
