“ *Absolutely the best kind of person! She was a terrific coach who treated every child fairly and an unrelenting advocate and warrior for her own children. While I am glad she is no longer in pain, she will be greatly missed. My thoughts and prayers go out to Justin, Amanda and the rest of her family.*

“ *Teresa was an incredible human being. I have talked with so many of her friends over the last few months and one thing is common among those talks. If Teresa considered you a friend, she had your back...no matter what. She lived her life for her children and always made them a priority. The world was a better place because of her. All my love to Amanda, Justin, and Bill. You have an army of her friends here to offer all the support and love that you need. Rest easy my friend. I love you so very much!*
